

Design Tutorial

Using Screencast-o-Matic to create video proposals

- 1) Download Screencast-o-matic
- 2) Choose a design project that you have completed and find the final design you created using a piece of software e.g. Autodesk Fusion, SweetHome 3D etc.
- 3) Watch the attached video tutorial to understand how to video capture from your screen and add narration.
- 4) Create a 2 minute video proposal aimed at your Clients. Make sure you address the Design Criteria you identified at the beginning of the project.
